Men from 17 to 45 years, women 18 to 30. . . .

8. You will issue instructions to this effect: we ask you to state that those who do not report as well as their family and those who help to avoid conscription will be severely punished. I ask you to make a special list of those, who, although in this category, according to the Rumanian state or its local organs would deserve to be excused. The lists will be submitted to the ACC or to its local representatives."
